What is Reiki?

Reiki means Universal Life Energy.

In these turbulent times when your world calls for more... unfold the treasure of Reiki. Reiki brings together the body, mind and spirit in one amazing journey. Simple, powerful, and healing. It is a modality for the 21st century.

Many cultures dating back to ancient times have had the wisdom and the knowledge that an unseen energy flows through all living things, and is directly related to the quality of health in life.

Reiki allows anyone to connect with this unlimited energy and transmit it through the hands, to themselves and others, creating the space for improved health and enhanced quality of life.

Reiki is easy to learn and is simple, effective and safe.

Your Teachers

JOHN CRUNDALL

John began teaching in 1991, in partnership with his beloved wife and spiritual teacher—Denise Crundall. Denise and John established the Usui Reiki Centre in Melbourne, Australia, a healing Centre which is run entirely by volunteers and funded by donations. Together, they have inspired people around the world, teaching in Australia, USA, Canada, Germany, Russia, Thailand and Austria.

After Denise's death in 2002, John continues this work and teaches worldwide. Together with Reiki Master Ellen Rose, they faithfully follow the pattern of Reiki teaching brought to Australia by Beth Gray in 1983, and enriched with Denise's understanding, in classes that are dynamic, fun and full of healing, joy and self discovery.

ELLEN ROSE

Co-founder of the Toronto Usui Reiki Centre in 1995, Ellen moved to Australia to apprentice with Denise & John. After Denise's passing in 2002, Ellen and John began teaching together.

Ellen is a dynamic teacher, healer and dream weaver, working with the magic of joy, movement and tradition, to teach Reiki in the Usui, Hayashi, Takata, and Denise's Lineage.

Her breadth of knowledge and engaging humour, will lead you through the understanding of the "how come?" of illness; an overview of the metaphysical causation and language of the body, along with its connection and relationship with Spirit.

This journey comes home with an understanding of Reiki, and where it fits with the world of healing.

Reiki Class for **KIDS**

Reiki addresses body, mind and spirit accelerating your natural ability to heal yourself. Dr. Usui rediscovered Reiki and created a simple set of procedures to follow, which were passed down through this lineage.

Reiki is experienced through the hands as a subtle yet powerful flow of healing energy. It is a hands-on experience which is spiritual in nature and therefore cannot be directed or manipulated in any way. Reiki by-passes the symptom and goes to the cause of the problem to create a space for healing.

ALL children are naturally connected to source. They are born as natural channels of this energy, and there is much that we have to learn from them during our time on Earth. Children are our future, so giving children our time, patience & focused attention is important, now more than ever, so that we may be guided to a new way of being for humanity as a collective.

WHAT IS THE BENEFIT OF KIDS & REIKI?

Reiki is easy to learn, and provides children with a lifelong tool that helps them to better cope with daily problems, be more mindful physically, and more easily find a natural state of balance & calm.

We must be willing to see what the children of the world are trying to teach us, while helping them to get started on their spiritual path on Earth. Learning Reiki is one of the best ways they can begin the process of living their life in healing and balance.

WHAT TO EXPECT

Reiki Class for Kids is a two-day drop off class, held just north of Barrie in Oro Station. Class runs from 10am to 3pm each day, with an integrated approach of inside & outside learning. To truly engage the magic of the children, we take a playful approach, so that it ignites their ability to take in the experience and the information provided.

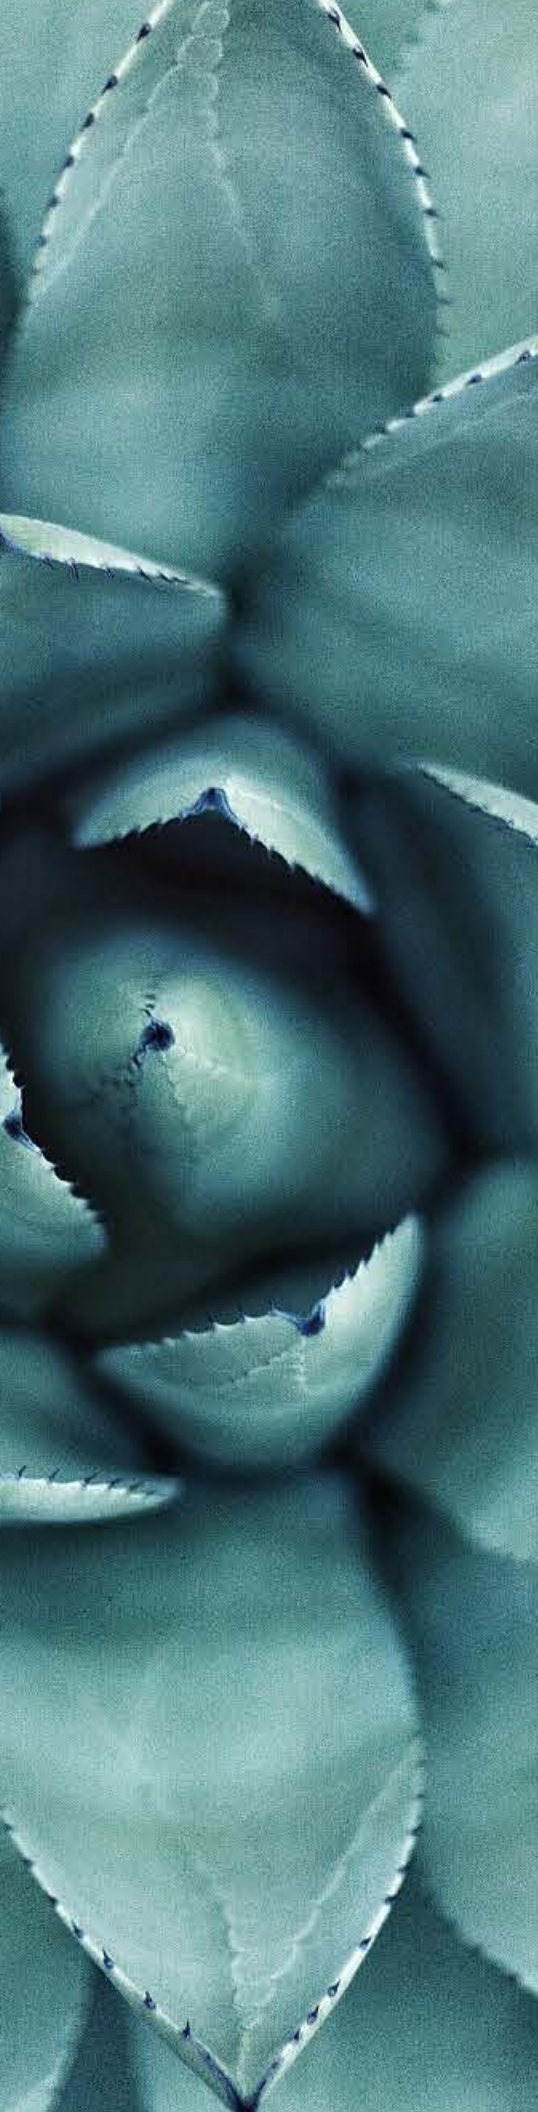

After taking this class, your child will be able to practice Reiki on themselves, and also give Reiki sessions to others including pets.

Space is limited. Registrations are first-come-first-served.

WHAT TO BRING

Please send your child with:

- a water bottle
- extra change of clothes
- peanut-free lunch
- a pillow & blanket

Our Reiki Lineage

Lineage is akin to a family; a family of gifted and visionary beings who have a dream, a dream of a future for us & mankind.

These advanced souls have seen and planned for a future we are just beginning to glimpse; a future of community, of healing and Oneness, a multi-dimensional reality.

Dr. Usui was a genius; he glimpsed a future dream that would see a deceptively simple healing modality spread its magical ways around the world.

And so, just as with a family, in a moment of crisis or in a moment of profound and overwhelming love, you may reach up your hand and take the hand of the lineage you have chosen to remember. This lineage is bound by its nature to respond to your call.

We are proud of our Lineage and we call upon it often. We trust you will take advantage of the close proximity to our founders that is offered to you by the Usui Reiki Group.

The Reiki Family

SUPPORTING YOUR CHILD'S JOURNEY

The more children who have Reiki and the teachings, the more we grow and evolve as a collective consciousness. As a compliment to your child's journey, we highly recommend that parents take our Reiki Level I Class. When the family is spiritually in tune with each other, the consistency allows for more exponential growth; and more importantly, it enables you to grow **together**.

Whether you are already trained in Reiki or not, taking the Usui Reiki Centre Classes are important so that you are educated in the teachings, practices & values of our unique lineage.
